Continuation of Substance of Interview including description of the general nature of what was discussed: Indicated to Mr. Ackerman that upon further consideration of Applicant's response filed on October 12, 2005, the requirement of a 37 CFR 1.131 affidavit or declaration as set forth in page 4 of the Office Action mailed to Applicant on April 20, 2006 is being rescinded. In place thereof, Examiner requires Applicant to 1) adequately amend the specification as set forth on July 15, 2005 to reflect that the instant application is a CIP of ASN 09/302,920, which is now US Patent 6,280,618, and 2) submit a properly executed CIP oath or declaration reflecting the relationship between the instant application and ASN 09/302,920, if Applicant were to intend to antedate the current prior art of record. In so doing, the priority of the instant application and the prior art of record will be reconsidered accordingly. .

A handwritten signature, possibly reading "S. J. Smith", is written above the date "6/28/06".
